

# Aegon ISA re-registration authority

In this form, Aegon means Cofunds Limited.

Use this form to re-register investments from another investment/plan manager into an Aegon ISA. Re-registration is a transfer of investments between ISAs without selling them in the process.

## Important

**You must send this form along with a completed and signed Aegon ISA re-registration application form.**

Should you re-register investments from a Lifetime ISA (LISA) to your Aegon ISA, the LISA status for the re-registered investments will be lost along with any other benefits specific to the LISA. As your Aegon ISA is not a LISA, there may be a government charge applied to the value of the investments being re-registered.

If you're re-registering funds from multiple investment/plan managers, you'll need to send a re-registration authority for each investment.

All the details must match those held by the existing investment/plan manager. Any differences could cause delays to the requested transfer by re-registration.

Please complete this form in BLOCK CAPITALS and ballpoint pen and return it to: **ISA Ltd, 16 High Street, Kegworth, Derby, DE74 2DA**
