If you want to change how they are invested, please complete the relevant regular payments amendment form available from the Aegon website.

If you need more room to list additional investments please provide the information on a separate sheet of paper in the format above, sign and date it and attach it to this form. Any missing information may result in a delay to your switch.

3. Investment income options

If you have selected income generating investments in section 2, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider. We'll apply your selection to all income generating investments you hold within the product detailed in section 1.

If you wish to take consolidated natural income and you're currently taking regular withdrawals, please select 'consolidated natural income' below and we'll cancel your existing regular withdrawals.

Please tick one of the following options:

- Reinvest in fund (default)** – reinvest any income received back into the same investment.
- Leave in cash** – pay any income into the product's cash facility.
- Consolidated natural income (this option is not available for an Aegon SIPP)** – pay any income received to your nominated bank account as a monthly payment. (Complete section 4 to nominate a bank account)

If you've chosen 'consolidated natural income', this will count as a withdrawal from your Aegon ISA.

Consolidated Natural Income will only be paid for a month if the amount to be paid is £2.50 or more, otherwise the money will be held until further distributions are received that takes the payment due above £2.50 and will be paid at the next monthly payment due date.

If your instruction relates to your Aegon ISA, please note that the flexible ISA subscription rules introduced on 6 April 2016 don't apply to the Aegon ISA. This means if you make a withdrawal from this ISA you won't be able to replace it without it counting against your annual ISA allowance.

4. Bank details for payments out of investment income

Please provide details of the bank/building society account your consolidated natural income is to be paid to.

Payments can only be made to a personal account in your name.

If this is the first payment to your nominated bank account, you may need to give us a certified copy of your bank statement and driving licence (as proof of signature). We'll contact you if we need this.

If you'd like to take an ad-hoc adviser charge for this transaction, or amend your clients ongoing adviser charge or service charge, use your Aegon Platform account.

6. How we'll carry out your linked switch instruction

When we receive your linked switch instruction to sell one or more investments and use the sale proceeds to purchase other investments within your product detailed in section 1, we'll:

Initiate your sale instruction – we'll do this, when we receive your clear and fully complete switch instruction, in line with our usual provisions for carrying out sale instructions as described in the Aegon Platform terms and conditions.

Initiate your purchase instruction – we'll do this when we receive confirmation of the sale price(s) from all of the investment providers in respect of the associated sale transaction(s). We will not wait for the cleared sale fund proceeds to be received into the cash facility of your product in order to proceed with the purchase transaction. If there is available cash in the cash facility to settle the purchase transactions, this cash will be used first. We will only pre-fund the purchase transactions where there is not enough cash in the cash facility to pay for the purchase in full (and then only to the extent needed to fund the shortfall between the available cash and the cost of the purchase transactions). Where we do not offer pre-funded switching, we'll do this when we receive settlement of all of the associated sale transaction(s).

Notify you in the event that we don't subsequently receive sale proceeds from any investment provider in relation to the switch within 14 days of the sale transaction. You can then choose how you want to pay for the shortfall in the cost to purchase your chosen investments.

Once a linked switch instruction is submitted, it's irrevocable and cannot be cancelled.

If you switch your investments, any rebalancing instructions in place will cease to apply.

7. Customer declaration

- 7.1 I instruct Aegon to carry out a switch of investments in accordance with this linked switch instruction and the Aegon Platform terms and conditions for the product described in section 1.
- 7.2 I declare that I have read the Key Investor Information Document(s) relating to the funds I would like to invest in (and the declarations in this form), before completing this switch instruction.
- 7.3 Where I have selected consolidated natural income in section 4 and am currently taking regular withdrawals from my Aegon GIA or Aegon ISA, as appropriate, I instruct Aegon to cancel the regular withdrawals.
