### 4. Investment Income options

---

If you have income-generating investments, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider or change any existing instruction you have given us. We'll apply your selection to all income generating investments you hold within the Aegon ISA.

The flexible ISA subscription rules introduced on 6 April 2016 don't apply to the Aegon ISA. This means if you make a withdrawal from your Aegon ISA you won't be able to replace it without it counting against your annual ISA allowance for the current tax year.

## 4. Investment Income options – continued

---

As you have an existing Aegon ISA with us:

- We'll apply your existing income option, for any income units/shares you currently hold with us.
- If you wish to take consolidated natural income and you're currently taking regular withdrawals, please select 'consolidated natural income' below and we'll cancel your existing regular withdrawals.

Please tick one of the following options:

- Reinvest in fund** (default) – reinvest any income received back into the same fund investment.
- Leave in cash** – pay any income into the Aegon ISA cash facility.
- Consolidated natural income** – pay any income received to your nominated bank account as a monthly payment. (Complete section 5 to nominate a bank account).

If you choose 'consolidated natural income', this will count as a withdrawal from your Aegon ISA.

## 5. Bank details for payments out of investment income
