4. Investment income options

If you have income-generating investments, this section lets you choose how any income distributions paid from those investments should be dealt with when we receive them from the investment provider or change any existing instruction you have given us. We'll apply your selection to all income generating investments you hold within the Aegon ISA.

As you have an existing Aegon ISA with us:

- We'll apply your existing income option, for any income units/shares you currently hold with us.
- If you wish to take consolidated natural income and you're currently taking regular withdrawals, please select 'consolidated natural income' and we'll cancel your existing regular withdrawals.

Please tick one of the following options:

- ☐ Reinvest in fund (default) – reinvest any income received back into the same fund investment.
- ☐ Leave in cash – pay any income into the ISA cash facility.
- ☐ Consolidated natural income – pay any income received to your nominated bank account as a monthly payment, but only if income is received from investments. (Complete section 5 to nominate a bank account).

If you've chosen consolidated natural income, this will count as a withdrawal from your Aegon ISA and can be replaced in the same tax year under flexible ISA rules without the replacement counting towards your annual ISA allowance.

Please note, if you don't maintain the required minimum balance, we may close your Aegon ISA in accordance with the terms and conditions. If your Aegon ISA is closed, you'll lose the ability to replace any money that has been withdrawn.

5. Bank details for payments out of investment income

Please provide details of the bank/building society account your consolidated natural income is to be paid to. Payments can only be made to a personal account in your name. If this is the first payment to your nominated bank account, you may need to give us a certified copy of your bank statement and driving licence (as proof of signature). We'll contact you if we need this.
